About Us

Whitecap Cleaning is a part of the Whitecap Enterprises family, a group of innovative firms with deep core values providing essential services throughout America. Whitecap Cleaning was created to restore confidence in society that workplaces and homes can once again be as safe as possible.

What We Provide

Whitecap Cleaning has partnered with Bactronix, a leading developer in eco-friendly science-based solutions with a 10 year history and demonstrated record of eliminating mold, mildew, viruses, and pathogens from premise buildings – both commercial and residential, and all types of vehicles – each delivered with exceptional service and care.

Purpose & Mission

With a philosophy of family first and a focus on health and safety, Whitecap Cleaning provides a portfolio of health and wellness services that tackle critical issues of safety and health for both commercial (workplace) facilities and residential homes.

We are determined to be leaders of service within our industry, for our clients, our community, and for all those we serve. We invite our clients and employees alike to participate in our company-led outreach opportunities in partnership with local and national charities. We are dedicated to an environment of learning, happiness, and personal growth within our workplace so that every team member understands they serve a vital role within our family. We believe that each employee's personal joy found in working with us will positively impact our client's ultimate experience when contracting services with us.

Our Passion

To provide an experience of extraordinary and attentive service, to invest in industry-leading technology, to commit to our core values and service the health and wellness of our client community.

Core Values

Whitecap Cleaning is dedicated to these five core values in all that we do:

- **Trust & Integrity** - By doing the right thing, we will earn the trust and respect of the employees, clients and communities we serve.
- **Leadership** - We are role models to those we serve. We lead by example in delivering flawless service and demonstrating commitment to our core values.
- **Empowerment** - We believe in exceptional enhanced cleaning services through employee training and enabling our staff the ability to address client questions and solutions quickly.
- **Service** - Unparalleled client service is the foundation for everything. Anticipate needs and make client's satisfaction our overarching goal.
- **Always Deliver**- Always deliver on that which is expected, promised, and hoped for.
